

Why I Plant Trees

Photo by Brighton West

“I plant trees because it’s good for the environment, and it improves the city. It also supports my job at Verde, where I receive medical benefits and learn new skills.”

“Yo planto árboles porque es bueno para el medioambiente, y mejora la ciudad. Y también apoya mi trabajo en Verde, donde recibo beneficios médicos y aprendo nuevas habilidades.”

Jesus Nuñez Jr, Verde Landscape Crew Member

For 20 years, Friends of Trees has planted trees and restored natural areas across the Portland-Vancouver metro area. This year Friends of Trees formed a partnership with Verde to plant more trees and to provide living wage jobs to people like Jesus. We need your help. Friends of Trees is only successful because of our volunteers and supporters.
