FOT Offers Trees & Planting Scholarships in Vancouver

Don't let the \$50 tree fee stand between you and your tree!

Friends of Trees invites homeowners in Vancouver, WA, to [sign up for trees](#) to plant with their neighbors this fall and winter. The cost for a tree in the 29 Vancouver neighborhoods where Friends of Trees is planting this year is \$50.

Friends of Trees doesn't want the cost to keep anyone from adding trees and the [good things that grow on trees](#) to their home and neighborhood. If the cost is more than you can afford, please call [503-595-0212](tel:503-595-0212) to sign up for a scholarship. Or help others beautify their neighborhood by donating to the scholarship fund at FriendsofTrees.org/Donate. Just select "Planting Scholarship Fund" from the donation category dropdown menu.

You can add your name to the growing list of people who want trees at FriendsofTrees.org/BuyTrees. Each neighborhood has one tree planting a year, and sign-up deadlines are approximately five weeks before each planting event. Friends of Trees' new tree selections and engaging web site make selecting trees easy and fun. Your \$50 fee includes the price of the tree, delivery, hole digging, planting assistance, stakes, and follow-up maintenance checks. You'll also be invited to join a neighborhood potluck after the planting.

Click "[Order Trees](#)" at FriendsofTrees.org to find the planting date for your address. Plantings are scheduled in the Airport Green, Arnada, Burnt Bridge Creek, Burton Ridge, Carter Park, Cascade Highlands, Cascade Southeast, Countryside Woods, Edgewood Park, Ellsworth Springs, First Place, Fisher's Creek, Fisher's Landing East, Forest Ridge, Fruit Valley, Hough, Image, Landover Sharmel, Lincoln, Marrion, Meadow Homes, North Image, Oakbrook, Ogden, Parkway East, Rose Village, Shumway, Vancouver Heights, and Wildwood neighborhoods. If you don't see your neighborhood on this list, contact Andy Meeks at AndyM@FriendsofTrees.org to learn how you can bring a planting to your neighborhood.

Since 1989, Friends of Trees has planted more than 450,000 trees and native plants in the Portland-Vancouver and Eugene-Springfield metro areas. The nonprofit is partnering with Vancouver Urban Forestry to turn Vancouver's grey to green by planting hundreds of trees in Vancouver neighborhoods. Questions?
