Give a Growing Gift for Mother's Day

Enjoy a 25% discount when you gift a grove for Mom

This spring, Mother's Day offers the perfect opportunity to give your mother a gift that shows your love and helps restore a forest in our city.

Your \$35 tax-deductible donation allows the local nonprofit [Friends of Trees](#) to plant a native tree in the Collins Sanctuary and [send your mother a beautiful card](#) acknowledging your gift. Your growing gift is a meaningful gesture for Mom and leaves a legacy for years to come. **Plus, when you use discount code SPRINGTREE, Friends of Trees will plant a grove of six trees for 25% off the regular donation amount.**

Gift Trees give everyone in the community cleaner water and air, and planting them draws us closer to our connection with nature.

Nearly 3,000 native trees and shrubs have been planted in the Collins Sanctuary since 2010, when Friends of Trees began partnering with Metro and the Audubon Society of Portland to restore the sanctuary.

The Gift Tree program supports Friends of Trees' [Green Space Initiative](#), which restores natural areas and transportation corridors in the Portland-Vancouver and Eugene-Springfield metro areas.

Since 1989, Friends of Trees' thousands of volunteers have planted nearly 450,000 trees and native plants. To learn more or to order Gift Trees, visit [FriendsofTrees.org/GiftTrees](#) or call Emma Gray at 503-467-2531.
