## Gift Tree Discount Helps Spread Tree Love for Valentine's Day

*Use TREELOVE discount code for 25% off all Gift Trees & Groves through Feb. 14, 2013.*

The local nonprofit [Friends of Trees](#) wants to share the love again this year for Valentine's Day. We're taking 25% off all [Gift Trees](#) and Groves purchased between now and Feb. 14.

Use discount code TREELOVE to show your love for the people you care about and for the earth. We'll plant a tree in your loved one's honor and send a personalized gift card. Not only will your gift show how much you care about your valentine, it will also clean your valentine's air and water! [Gift Trees](#) ordered by February 10 will arrive in time for Valentine's Day.

With the TREELOVE discount, Friends of Trees will plant a Gift Tree for a tax-deductible donation of \$26.25 (regularly \$35) and a Gift Grove of six young native trees for a tax-deductible donation of \$75 (regularly \$100).

Friends of Trees' Gift Trees are planted in the Collins Sanctuary adjacent to Forest Park during a special invitation-only Gift Tree planting. All who give or receive Gift Trees for Valentine's Day this year will be invited to plant their trees at Friends of Trees' Gift Tree planting on March 17, 2013.

Gift Tree plantings are rewarding for people who choose to attend. "I want to tell you that we were all impressed at how well the tree planting event was organized," wrote a recent Gift Tree planter. "It was so nice to have treats before we started, and everyone on your staff and the volunteers were so welcoming and caring."

Gift Tree donations restore a forest in our city and support Friends of Trees' [Green Space Initiative](#), which enhances urban green spaces. Since 1989, Friends of Trees has planted more than 450,000 trees and native plants in the Portland-Vancouver and Eugene-Springfield metro areas. Learn more or order Gift Trees at [www.FriendsofTrees.org/GiftTrees](http://www.FriendsofTrees.org/GiftTrees), or call Blair at 503-467-2531.
